

St. Petersburg State University (SPSU)

SPSU is the oldest institution of higher education founded in Russia in 1724. At present, there are more than 32,000 students in University, receiving education in more than 323 specialties in 20 faculties. University's staff comprises almost 14,000 people, including nearly 6,000 teachers who represent 289 academic departments.

Faculty of Economics (FE SPSU)

The Faculty of Economics is one of the leading educational centers in the country playing an important role in the development of both national and regional economy and society. The Faculty is well known as a think tank providing a wide variety of research projects and consultancies. The only two Russian Nobel laureates in Economics are associated with the SPSU.

The Department of World Economy

The Department of World Economy is a dynamically developing educational and research subdivision of the FE SPSU. The Department today is one of the leading think tanks in Russia on trade policy issues. The staff undertakes research projects, including international ones in various aspects of international economic relations. Leading professors of the Department have substantial experience of lecturing in foreign universities.

In 2010 the Department got a status of the WTO Chair. The WTO Chairs Programme (WCP) aims to support and promote trade-related academic activities by universities and research institutions in developing and least-developed countries. Academic institutions awarded WTO Chairs receive support in the following areas: curriculum development, teaching, research and outreach activities. The Chairs have been selected through a competitive bidding process.
